- BENDING FOIL

Bestseller

Model	BENDING FOIL

Price on request

Description

folding foil prevents scratches/abrasions on the sheet metal to be edged and therefore avoids rejects and expensive rework. Production is faster, the expensive tools last longer and additional protective films can be avoided.

Notice

Prices ex location, excluding VAT.

The General Terms and Conditions of Delivery of the Austrian Association of the Machine and Steel Construction Industry apply.
We only sell under retention of title, the goods remain our unrestricted property until they have been paid for in full.

Price changes and errors excepted.
