Description

[felix] 2.0 Easy and safe drilling operations – Thanks to the innovative machine vice by Felix Röwekamper.

The machine vice for freely adjustable clamping of the workpiece.

Simple, fast, secure and superior in use. With two hand movements the vice is clamped on the drilling machine table, precisely and safely adjusted.

Prism jaws with shoulder and horizontal and vertical holding recesses to clamp a wide range of workpieces

Hardened and precision ground clamping jaws

No additional clamping devices necessary
